**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This is just another intent by BIG Corporation to limit it's competition. I am totally against the basis and the petition to give ATT just to put more money into BIG Corporations. Competition in the greatest country in the world is what makes us great and to strive harder to provide good service to America.

Honest Capitalism and not leaning towards monopolies has been and is why so many people in the world want to live here!
